

Top 433.92 MHz

433.92 MHz radio command

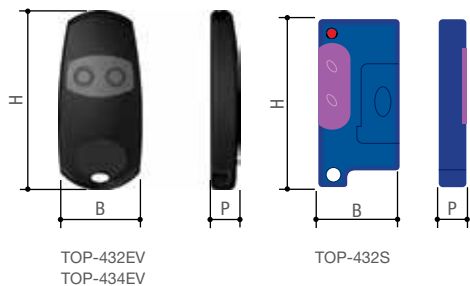

The ideal solution for use in residential settings

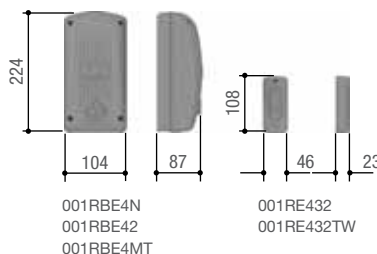

- Three models available for the radio command.
- Transmitter to transmitter self-learning.
- 4,096 possible combinations.

Transmitters dimensions (mm)

Receiver dimensions (mm)

Dimensions table (mm)

MODELS	B (mm)	H (mm)	P (mm)
TOP-432S	31	65	15
TOP-432EV	32	68.5	11
TOP-434EV	32	68.5	11

Limits to use

MODELS	RANGE (m)
TOP-432S	50 ÷ 150
TOP-432EV	50 ÷ 150
TOP-434EV	50 ÷ 150

Technical features

MODELS	TOP-432EV • TOP-434EV	TOP-432S
Batteries	2 x CR2016 LITHIUM	1 x 12 V - AAA
Combinations	4,096	1,024
Operating temperature (°C)	-20 ÷ +55	-20 ÷ +55
Material	ABS	ABS

THE COMPLETE RANGE

Code	Description	Price £ (Excl. VAT)
433.92 MHz transmitters		
001 TOP-432EV	Bi-channel multi-user transmitter with self-learning function. 4,096 combinations.	£31.00
001 TOP-434EV	Four-channel multi-user transmitter with self-learning function. 4,096 combinations.	£41.00
001 TOP-432S	Bi-channel multi-user transmitter. 1,024 combinations.	£32.00
433.92 MHz plug-in radiofrequency card		
001 AF43S	Plug-in radio frequency card.	£29.00
001 AF43SM	Plug-in radio frequency card with eeprom to store up to 128 codes (users).	£85.00
Surface mounting 433.92 MHz receivers		
001 RE432	Surface mounting IP54 12 - 24 V AC - DC bi-channel receiver.	£64.00
001 RBE4MT	Surface mounting IP54, 12 - 24 V AC - DC 433.92 MHz four-channel multi-user receiver to store up to 999 codes (users).	£191.00
Surface mounting 230 V AC radio module		
001 RBE42	Surface mounting IP54, 230 V AC four-channel radio module.	£121.00
Surface mounting 12 - 24 V AC - DC radio module		
001 RBE4N	Surface mounting IP54, 12 - 24 V AC - DC four-channel radio module.	£99.00
Accessories for: 001TOP-432EV - 001TOP-434EV		
001 P3V	Pack of two 3V DC type CR2016 lithium batteries.	£4.00
433.92 MHz antenna for: 001DD-1KA - 001DD-1KB		
001 DD-1TA433	Antenna with anthracite grey support.	£37.00
433.92 MHz antenna for: 001KLED - 001KLED24		
001 TOP-A433N	Antenna.	£21.00
Accessories for antennas		
001 TOP-RG58	Antenna cable.	per m £2.00

NOTES

001TOP-432EV - 001TOP-434EV

The maximum suggested number of operators fitted onto the same system is 20.

Example: an apartment building with 20 individual garage doors.
